Dear Community Members:

Eleanor Roosevelt High School Aquatics program serves both the swim team and girls and boys water polo teams. Our inaugural year was 2006 when the school opened.

The Aquatics programs at the high school needs your sponsorship to help these outstanding athletes to continue to strive for the best. Funds are needed to purchase water polo caps, extra tournaments and to run our summer programs.

With a sponsorship of \$350.00 we will provide a 3' x 5' advertising banner with your logo and message to hang on the pool fence during our aquatic seasons – September through May. We also host many events during the year and have a summer program, which means to you, exposure all year long. Annual renewals would be \$150.00. Your banner will receive great exposure. With the high cost of advertising today, this is a real bargain. Your logo banner will also be linked and featured on our website, www.mustangsaquatics.org .

All donations are tax deductible. Checks should be made to Mustangs Aquatics Boosters.

Thank you for supporting the athletes of the Eleanor Roosevelt High School Aquatics programs. We appreciate you!

Should you have any questions, please leave me a message at 951-237-4841.

Sincerely,

A handwritten signature in black ink that reads "Ann Diamond". The signature is written in a cursive, flowing style.
